JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Principes de morale sociale. Par LOUIS DESCHAMPS. Paris: Félix Alcan, 1903. Pp. 269. Fr. 3.50.

THE theme of this book is the social necessity of Christianity, and particularly of Catholicism. It makes much of the outworn philosophic antithesis between materialism and spiritualism, and is, although fortified with a brief bibliography of recent French works, conspicuously valueless as a contribution to the scientific study of social ethics.
